

PREMIUM COMPLEMENTARY MINERAL FEEDS

Agri Master Nutrition molassed mineral blocks supply minerals, vitamins, trace elements and antioxidants to balance any dietary deficiencies in the herd. **UFAS approved.**

Pre-Calver

Pre-Calver molassed mineral blocks are complementary mineral feeding stuffs recommended for feeding to pre-calving dairy and suckler cows up to calving time.

Hi-Mag

Hi-Mag molassed mineral blocks are complementary mineral feeding stuffs recommended for feeding to suckler cows and lactating cows during high risk times for grass tetany (hypomagnesemic tetany).

Calf Beef

Calf Beef molassed mineral blocks are complementary mineral feeding stuffs recommended for feeding to calves, weanlings, beef cattle animals and replacement heifers up to 3 months before calving.

**AVAILABLE FROM YOUR LOCAL CO-OP,
