	100	61	100	0251750601005
	120	68	100	0251750601205
	140	68	100	0251750601405
	<i>with 4CUT cutter</i>			
	160	65	100	0251750601605
	180	65	100	0251750601805

Use and application:

- A true universal construction screw.
- Ideal for connecting timber to timber and sheet metal to timber.

Key features:

- **WIROX®:**
High anti-corrosion coating exclusive to SPAX®.
- **4CUT point:**
No pre-drilling even in Hard Wood. No splitting even when working close to the edge. Screw point takes immediate hold.
- **4CUT cutter:**
A new feature on screws of 160mm and longer, this feature significantly reduces driving in torque.
- **Patented ground serrations:**
For fast and safe screwing.
- **T-STAR plus:**
Ensures ultimate bit hold, avoiding bit slippage even at high torque.
